

MAMA HILL'S HELP

COUNSELING, TUTORING, & OUTREACH

A Tribute to Sherman Saperstein

We at Mama Hill Help, Inc. would like to officially pay homage and tribute to the late and beloved Sherman Saperstein. As receiver of the great generosity and kindness of the Saperstein family, his passing saddens our hearts. Losing Sherman is a heart-felt loss to our family for he was a great and caring man. Now that he is in a greater place than that from which he has transcended, we send our most sincere condolences to Linda Saperstein, Sherman's loving wife, and those who survived him. To Linda, we are here to support you through this time, the same way that you and Sherman cared and supported Mama Hill's Help, Inc. over the years. Cherish the memories, remember all the good things you two did together and smile. For Sherman is still with us in spirit and forever will be in our hearts.

In Loving Memory,
